

# *Symposium on the Certification of Medical Interpreters*

**THURSDAY, APRIL 1<sup>ST</sup>, 6:00 TO 8:30 PM**

[SERESC CONFERENCE CENTER](#) – 29 COMMERCE DRIVE – BEDFORD, NH

**Attention Interpreters, Health Care Providers, Organizations that Hire  
Interpreters, Interpreter Educators, Policy Makers and Others:**

Presenting will be Mara Youdelman J.D., LL.M., Chair of the Certification Commission for Healthcare Interpreters (CCHI), and from the National Board of Certification for Medical Interpreters (NBCMI), Elena Langdon, Secretary and Board Member Inna Persits-Gimelberg. The New Hampshire Registry of Interpreters for the Deaf (NHRID) will also present, describing RID certification for ASL/English interpreters and the difference between a certification process and a licensing process.

Come learn about the CCHI and NBCMI initiatives to create certification for interpreters in medical settings. Together we can discuss the impact their work will have on interpretation in medical settings. The goal of this session is to involve local interpreters and invested organizations in the national discourse and to begin a local dialogue on what related groundwork we should embark on in our communities. This will not be a debate, but an educational opportunity that lays a foundation for future discussions.
